

# CONGRATULATIONS

**Joseph D. Smucker, MD**

for being selected as a finalist of the

**HEALTH CARE HERO**

IN THE PHYSICIAN CATEGORY

**Joseph D. Smucker, MD** is a fellowship-trained, board certified orthopaedic spine surgeon who provides advanced expertise in the surgical care of spinal disorders. Dr. Smucker has extensive experience in complex spine surgery, having trained in the top programs in the nation and subsequently treating patients in renowned practices for his entire career. His interests include cervical spine conditions, less invasive spinal surgery, spinal robotics, care of athletes, and use of advanced spinal navigation technologies. Dr. Smucker passionately lives the philosophy that the best spine surgeons are not only highly skilled physicians, but are also teachers, researchers, leaders, and volunteers. He believes that the best way to serve patients is constant and intentional advancement of knowledge, the community, and the profession.

Dr. Smucker provides prompt and friendly appointments for new patients, an ethical and thoughtful approach, and a patient-education focused style to care in a comprehensive spine center.
