MOTOR VEHICLE ACCIDENT INFORMATION

Motor Vehicle Accidents involve considerable administrative work and frequently result in a delay in claims being processed.

At the first visit, for a motor vehicle accident, we require the following information from your auto insurance carrier: case number, name of your claims manager, telephone number, address and date of injury. **You** will be responsible for obtaining this information from your Automobile Insurance Carrier, and it is best, when presented, in a letter format. This authorizes us to provide treatment and allows us to file a claim on your behalf. **Please call with authorization information prior to your appointment.** This will assist with expediting the check-in process when you arrive.

You will also need to bring your health insurance information.

If you cannot obtain claim authorization, you will be required to pay a \$250.00 down payment prior to your visit. If you do not have authorization from your auto insurance carrier and you do not have health insurance, you will be treated as a self-pay patient. Please call for further information: 317-228-7000.

The process for filing claims for payment:

Your claim **must** first be filed with your auto insurance carrier prior to filing with your health insurance. Your health insurance company will not pay or will ask to return money once they realize the reason for your visit to the physician is due to an auto accident.

Once your claim is filed with the auto insurance carrier, they will either pay for your services or provide us with a denial for payment. Once we receive a written notice from your auto insurance with their denial or that your benefits are exhausted, we can then file your claims with your health insurance company, if applicable.

If you have any questions, please feel free to call our office at (317) 228- 7000 or 1-(866) 947-7463 and ask for the billing department.

Financial Policy and Authorization

Patient Name: _____

1. **Authorization for Treatment** – I hereby authorize the physician(s) and healthcare professionals of Indiana Spine Group to conduct examinations and perform procedures as are medically required, and administer such treatment and medications as deemed necessary or advisable.
2. **Release of Information/Medical Record Diagnosis** – I hereby authorize the physician(s) and healthcare professionals of Indiana Spine Group to release a complete report of services rendered including diagnosis, findings and details of treatment and progress for the purpose of receiving payment for the services rendered to its authorized billing agents, my insurance carrier, employer’s workers’ compensation insurance company, or other category of third party payer, the Social Security Administration under Title XVIII (18) of the Social Security Act, any Professional Review Organization, or other intermediaries responsible for payment of my charges. I understand that I may revoke this consent at any time by giving written notice. I understand that if I refuse to consent to the release of information, I will be held personally responsible for payment of all charges for services rendered.
3. **Authorization for Assignment of Benefits** – In consideration of medical services provided, I hereby guarantee payment in full of my account in accordance with the financial arrangements made at the time of discharge or, if not such arrangements are made, then payment shall be made in full within thirty (30) days of discharge. I agree that in the event of default in payment, reasonable collection agency fees equal to fifty (50%) percent of the delinquent balance and reasonable attorney fees, shall be added to the amount due on the account, plus any applicable court costs.
4. **Insurance Filing** – I understand that as a courtesy, Indiana Spine Group will file for benefits with my insurance carrier(s). Including Medicare Part B secondary carriers. I understand that fees may exceed the charges allowed by my insurance carrier. I agree to be responsible to Indiana Spine Group, P.C. for the full balance of the charges that are not paid by my private insurance carrier including any deductible, co-insurance and/or copayment.
5. **Payments at time of visit**- Indiana Spine Group, P.C. accepts cash, checks, Visa and Mastercard. I understand that non-sufficient fund checks will have a \$30.00 fee added to my account. I understand that my insurance policy is a contract between me and my insurance carrier. I am aware that some, and perhaps all, of the services provided may be non-covered services and not considered reasonable and necessary under my medical insurance plan. I may be asked to sign a procedure specific waiver if Indiana Spine Group believes that my insurance may deny payment for that service. If my insurance carrier requires a co-payment or deductible, the payment is due AT THE TIME OF MY VISIT. I will also be responsible for payment of any outstanding patient balances. If I do not have health insurance coverage, I will be responsible for payment in full for all services and a deposit of \$250.00 will be required before I see a provider.
6. **Payment Prior to Surgery/Procedures/Injections**- I understand that I may be asked to provide payment in full for any deductible or co-insurance prior to the scheduled date of the surgery, procedure or injection.
7. **Reallocation of Payments** - I am aware that any pre-payments I have made have been based on my insurance company’s estimates of my potential “patient responsibility” (“Total to Collect”) that was provided to Indiana Spine Group, North Meridian Surgery Center and/or Indiana Spine Hospital (as the case may be) prior to surgery and could change at any time. I acknowledge:
 - After claim adjudication, if the amount I paid prior to surgery is less than my final total patient responsibility, I will receive a bill for the difference.
 - After claim adjudication, if the amount I paid prior to surgery is more than my final total patient responsibility, I am entitled to receive a refund. In such event:
 - I give my permission for ISG, North Meridian Surgery Center and/or Indiana Spine Hospital to reallocate any credit balance(s) funds I may have between the facilities until both of my accounts reflect a Zero Dollar Balance.
 - I am aware that following such reallocation of funds, in the event a Credit Balance or an outstanding balance owed remains, a refund or an invoice, as the case may be, will be processed and sent to me from the respective entity where the refund or the remaining outstanding balance results.

- 8. **Pre-certifications/Prior Authorization/Referral-** If my insurance requires any form of prior notification for any services rendered, I understand that it is my responsibility to obtain it. I agree to be held financially liable for any services provided by Indiana Spine Group, that are denied or reduced by my insurance carrier because I failed to obtain the necessary type of prior approval.
- 9. **Other-** If you are being treated for a personal injury, we DO NOT accept attorney liens. I understand that I am fully responsible for payment of any and all services not covered by medical insurance regardless of any legal issues that may be applicable. A **deposit** of \$250.00 will be required before you see one of our providers.

I hereby certify that I have read and fully understand this Financial Policy and Authorization form. I also certify that no guarantee or assurance has been made as to the results that may be obtained from any treatment.
